

*Vintage structures, beautiful gardens and green meadows provide  
a unique setting amongst history and tradition.*

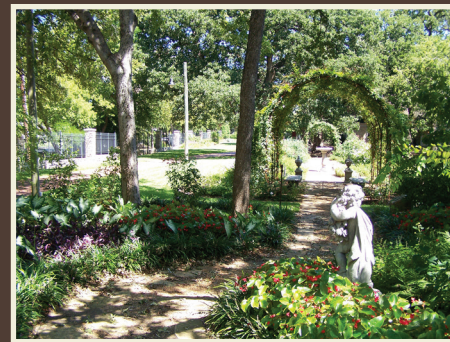

The Historical Park, one of Farmers Branch's best hidden treasures, is nestled within 27 acres that trace the proud heritage of Farmers Branch from the 1840s through the 1940s. With a variety of historic structures, blooming gardens and green meadows, the Farmers Branch Historical Park is the perfect place for all types of photography.

The Farmers Branch Historical Park may be used as a backdrop for family portraits or professional photography shoots.

Professional photographers shooting family portraits or non-commercial images will pay an annual fee of \$100 for the privilege of using the Historical Park as a backdrop for their business for the ensuing 12 months. Professional photographers must schedule their appointments with the Historical Park staff to ensure there is no conflict with other renters or pre-scheduled events or activities.

After-hour shoots are available at the standard hourly rental rate. Please contact the Historical Park staff for those rates.
